

If your company website address or company logo is not appearing on **findamortgagebroker.com**, these can be fixed via the UWM Marketing Toolbox:

Please have your primary contact on the account log-in to the UWM Marketing Toolbox (<https://ease.uwm.com/Lending/MarketingToolbox/EditProfile>) to update the company website address and/or upload the company logo.

See screenshots showing how to update website address or company logo:

- ✓ Click into the update website address field:

EDIT PROFILE

NOTE: Please confirm you have reviewed the Terms of Use by checking the box and clicking save.
